

# THE RECONNECTION®

Los Angeles, June 8, 2011

To whom it may concern:

This is a letter of recommendation for the Translation Agency Alamma.

The Reconnection has organized a five-day seminar on Reconnective Healing in Zagreb, Croatia which took place at the Sheraton Zagreb Hotel from May 27 till May 31, 2011.

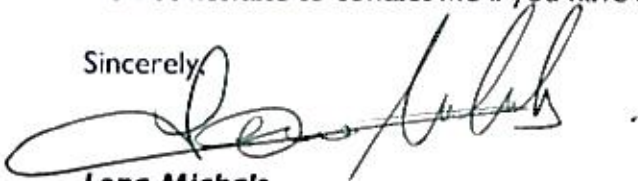

The translation agency Alamma was responsible during this seminar for the simultaneous interpretation from English to Slovene and vice versa. The two interpreters were Marjeta Kozuh and Aleksander Lah. They were both extremely professional and the attendees from Slovenia enjoyed the seminar tremendously because of the wonderful interpretation.

Their job was not an easy one as our speakers on stage use a lot of technical and scientific terminology throughout the five-day seminar. Since our teaching assistants on stage come from various countries and have heavy accents when speaking English, it doesn't make the job any easier for the interpreters. Also, some teaching assistants, including the main teachers, speak very fast.

Despite of all of these complications, Marjeta Kozuh and Aleksander Lah did an amazing job interpreting.

Do not hesitate to contact me if you have any more questions.

Sincerely,

**Lena Michals**
