### Letter of Recommendation

To whom it might concern!

The Golden Hummingbird has organized many workshops and trainings in the last 8 years in Slovenia. The events lasted from 2 to 10 days. Some of the subjects were Shamanic apprenticeship, Kabala, Rituals, Shamanic healing, Individual clairvoyant readings.

**Translation agency Alamma's interpreter Aleksander Lah** has been appointed as consecutive interpreter from English to Slovene and vice versa. He has done an excellent job.

The interpreter did not have an easy work because the speaker:

- ✓ often used narrow-specialized scientific and esoteric terminology
- ✓ was speaking fast
- ✓ was speaking 9 hours per day

Despite all, the interpreter was able to provide great interpreting throughout all the events.

Regarding stated above, we recommend Alamma translation agency and its interpreters.

Sincerely,

Foster Perry
